Dear parent/guardian,

Bemin Secondary College is looking forward to another year of teaching and learning and would like to advise you of *Bemin's* voluntary financial contributions for 2026.

Schools provide students with free instruction to fulfil the standard curriculum requirements and we want to assure you that all contributions are voluntary. *Nevertheless, the ongoing support of our families ensures that our school can offer the best possible education and support for our students.*

Within our school this support will allow us to offer a wider range of subjects and special curriculum experiences and enhanced digital learning opportunities for all students.

For further information on the Department's Parent Payments Policy please see a one-page overview attached.

Yours sincerely,
